**[i] Particulars of the organization, its functions and duties**

**Background, Aims and Achievements of the organization**

Mysore Minerals Limited, a fully owned Company of Government of Karnataka was established in the year 1966 by taking over the assets of the erstwhile Board of Mineral Development. The Company is registered under the Companies Act 1956.

Initially, the Company had confined its activities to exploration, production and marketing of the various minerals available in the State. The prominent minerals which are the main resource of the Company are Chromite, Manganese and Iron Ore. The Company is one of the major producers of Iron Ore, Chromite, Magnesite, Clay, Limestone, and Dolomite in the State.

Keeping in view the demand in the international market for the different colours of granite blocks

available in the State, the Company had entered into the area of production and marketing of granite blocks of different colours available in Kanakapura, Hassan, Chamarajnagar and Ilkal Sectors.

During the year 1982 - 1983, the Company had taken up diversification programmes to expand its activities. Under this programme, the Company had established a Stoneware Pipe producing unit in Bageshpura, Hassan District and also started a 100 % export oriented unit for cutting and polishing of granite blocks in Hassan Industrial Area during the year 1984 - 85.

Mysore Minerals Limited is headed by the Managing Director. The other Officers are Executive Director, General Manager (Admin & Vigilance), General Manager (Finance & Accounts), General Manager (Mkt), Company Secretary and staff assisting the Managing Director.

Mysore Minerals Limited has 42 Mining Leases and 38 Quarry Leases in different parts of Karnataka and has provided gainful employment to 854 employees.
